PRESS RELEASE

31 MARCH 2025

### CUA VOWS CONTINUED GOOD GOVERNANCE IN QUIRINO

"Continued good governance for the welfare of all Quirinians."

This was Quirino governor Dax Cua's promise as the campaign for local candidates for the midterm elections officially kicked off on Friday, March 28.

Cua said he hopes to build on the gains that the province has made if given the chance to govern for his third and last term.

"We are in the middle of efforts to realize Quirino's digital transformation, which will lead not only to better and faster services that can be availed from the local government, but also provide advantages to our kailanyans in terms of access to information and knowledge and pave the way to more employment opportunities," the governor said.

He added that the province continues to push to position itself as a premier agro-industrial hub and eco-tourism destination in the country.

Cua highlighted that the province has consistently been awarded the Seal of Good Local Governance (SGLG) by the Department of Interior and Local Government under his administration.

The DILG recently announced that Quirino had attained a perfect score of 10 in the 2024 SGLG utilization.

The SGLG assesses local government units in various governance areas, namely: Financial Administration and Sustainability, Disaster Preparedness, Social Protection and Sensitivity, Health Compliance and Responsiveness, Sustainable Education, Business- Friendliness and Competitiveness, Safety, Peace and Order, Environmental Management, Tourism, and Youth development.

"We are proud of our consistent conferment of the SGLG, which indicates that we are on the right track in our efforts to help the people of Quirino attain a better way of life. I hope that our kailanyans will continue to trust in our brand of service," Cua said.
